2008 Vancouver Island Real Estate Statistics

The Vancouver Island Real Estate Board keeps statistics on sales processed through the Multiple Listing Service® (MLS®) system. Monthly statistics on numbers of sales, average prices, sales volume, etc. are available for single family homes, lots, condominium apartments and condominium town houses in the six zones included in the Board area (Campbell River/North Island, Comox Valley, Cowichan Valley, Nanaimo, Parksville/Qualicum and Port Alberni/West Coast).

These monthly statistics called “Graphstats” are available for purchase on a monthly or quarterly subscription basis from the Vancouver Island Real Estate Board.

You can also visit our website at www.vireb.com for monthly Sales Summaries and find historical Sales Summary statistics at no charge.
