

# COMMERCIAL BUILDING AWARDS

## 2023 CRITERIA AND NOMINATION FORM

### ELIGIBILITY

Investment, commercial, or industrial building or renovation projects within the Vancouver Island Real Estate Board (VIREB) area (from the top of the Malahat to the northern tip of the island), and completed between January 1, 2022, and December 31, 2022, are eligible for a Commercial Building Award.

### JUDGING

Each submission will be judged on the following criteria.

- Investment, commercial, or industrial building or renovation projects located within the VIREB area.
- Investment, commercial, or industrial building renovation projects completed between January 1 and December 31, 2022.
- Does it complement the surrounding properties and area?
- Is it aesthetically pleasing?
- Are there unique architectural features?
- What is the finishing level, and what construction materials were used?
- Does it answer a specific development need within the community?
- Does it have any environmentally friendly or green elements for possible consideration?

A panel of independent judges, selected at large by VIREB's Commercial Division, will review each nomination. They'll examine the project's overall exterior design and determine how it fits into the surrounding area. Winners will be selected once all the sites have been reviewed.

### JUDGING CATEGORIES
