

REALTORS CARE® AWARDS

2023 CRITERIA AND NOMINATION FORM

A REALTORS Care® Award is one of the highest honours the Vancouver Island Real Estate Board (VIREB) can bestow on a member. This award recognizes members who commit to improving the quality of life in VIREB's communities. Our geographical area comprises six zones: Campbell River, Comox Valley, Duncan, Nanaimo, Parksville-Qualicum, and Port Alberni. An independent panel of judges identifies REALTORS Care® award recipients in these zones, and winners receive \$500 to donate to a local charity of their choice.

CRITERIA

The independent panel of judges will use the following criteria to select award recipients.

- Candidates must be VIREB members in good standing.
- Candidates must have contributed significant time and effort that broadly benefitted and impacted the community.
- Candidates' financial contributions to any organization or charity are one factor considered by the judging panel but aren't alone sufficient to qualify for the award.
- A portion of the candidates' community involvement must have occurred in the two years before nomination.
- Testimonials and documentation are beneficial to the nomination.
- Candidates are eligible to win the award once only.
- Nominations made the previous year are not automatically carried forward to the next, but the nominator may resubmit the application.
- The nominee's signature must be included as it demonstrates his or her willingness to stand as a candidate.
- Since REALTORS Care® Awards are not mandatory, they do not need to be presented each year. The judging panel determines whether there are, in a given year, candidates who meet the award requirements.

You must provide sufficient information and documentation (refer to Nominee Information on page two) that details the nominee's accomplishments and contributions to organized real estate. Provide as much information as possible regarding how the nominee excelled in those areas, and **ATTACH that information in a separate document. Incomplete applications will not be considered.**
