

Community REALTORS Care® Program

Application for Funding

Vancouver Island area REALTORS®, as members of the Vancouver Island Real Estate Board, are committed to the principle of good citizenship. Through the Board's **Community REALTORS Care® Program**, REALTORS® contribute to the well-being of the communities in which we operate.

REALTORS® also support a **Quality of Life** philosophy based on five principles:

- Ensuring economic vitality
- Providing housing opportunities
- Preserving our environment
- Protecting property owners
- Building better communities

CRITERIA FOR SUPPORT

While Vancouver Island area REALTORS® provide financial and other assistance to a wide range of worthwhile community groups and organizations, priority is given to the following areas:

- Providing housing opportunities
- Preserving our environment
- Protecting property owners
- Encouraging a better Quality of life

To be considered for support, applicants must meet the following basic prerequisites:

- Provide a copy of their most recent financial statements and/or operating budget
- Have an active and responsible governing body serving without compensation
- Provide substantial benefit to the community without duplicating the work of other sound organizations
- Include no payment of commissions for fundraisers, no inappropriate use of monies, and no mailing of unordered tickets
- Ensure that a substantial percentage of the funds provided are expended for the stated purpose
- Ensure that the support provided falls within the Vancouver Island Real Estate Board's trading area

Please note that the Board does not provide support to:

- Individuals
- Organizations having political affiliations

HOW TO APPLY FOR A FINANCIAL DONATION FROM THE VANCOUVER ISLAND REAL ESTATE BOARD

Complete the attached form and return it to:

VIREB Communications Coordinator
Email: realtors_care@vireb.com

The Board will be the sole judge of the eligibility of the organization requesting a financial donation. After determining such eligibility, the Board will notify the organization making the request.
