Van Island REALTORS® donate to Parksville’s SOS

NANAIMO, BC – The Vancouver Island Real Estate Board (VIREB) has selected the Society of Organized Services (SOS), to receive a brand new RICOH GX305 printer being donated to charity.

The printer, supplied by AGS in Parksville as a draw prize for VIREB’s recent AGM also held in Parksville, was won by Andrew Peck, Vice President of the BC Real Estate Association (BCREA). He in turn donated it back to VIREB and asked that it be given to a charity of their choosing.

VIREB Directors then picked the SOS from a list of suggested charities.

VIREB represents approximately 1,128 licensed REALTOR® members in more than 80 member offices on Vancouver Island (north of Victoria).
